To Whom It May Concern;

I write in support of the addition of two more casinos in the State of Connecticut. One to be located on rte I-95 and on rte I-91.

My rationale for doing so is that I will see the competition right over the boarder. I am from Enfield and would easily frequent the new casino in Springfield versus driving down to the other end of the state.

Although I do not know all the information about the 2 new casinos, I would hope that the State of Connecticut would be the recipient of the tax revenue generated each property. A site must be purchased that is not on tribal land.

Thanks for your time.
